

ROUNDUP

Yvonne,
I'm really glad that I got to know you
this year. You're a really nice person. Haven't
it been such fun copying in Frosts. Watch
out if you eat too many green M&Ms
(you know what that means) especially
if they have nuts. Next year you'll
be the big "S". Don't think you're too
good to talk to your junior friends
(just kidding) Party Hardy this
summer and stay cool. See you
at the beach. huv,
540-3099

Cherie B.

Yvonne,

Well, thanks for

taking up so much room for
in my year book. I
appreciate it. I have
had a lot of fun this
year becoming friends
(better friends) again
this year. Well be
downy all together.
this summer. Well
have to go over to
Catalina for a party

Homecoming Excitement: Like A Classic Fairy Tale

Once upon a time there were three girls and three boys, and by tradition only one couple could succeed to the throne. As the coaches brought the three senior princesses dressed in white, flowing gowns before their thousands of subjects, the coronation ceremony commenced. They were escorted from their coaches by their Prince Charmings and were presented bouquets of red roses. They were then led to their thrones on LeBar Stadium's battleground. Banners waved and trumpets blared as everyone anxiously awaited the proclamation. As the names broke the stillness in the air, pandemonium broke loose among their subjects. Bright colors lit up the sky as Queen Linda and King Stephen were crowned. Congratulations were given among the princes and princesses, and the royal couple rode off in their coach waving to their faithful subjects. Celebrations were in abundance as they walked into the throngs of people who were waiting to present well wishes to them. As the bright colored lights faded and the crowds settled down, King Stephen and Queen Linda were only left with happy memories of the previous happenings. As good things come to an end we sincerely hope they remember Homecoming 1979 and live happily ever after.

Mustangs Reach C.I.F. Yet Have An Off Year

The 1979-80 Varsity Football squad finished an up and down regular season with a third place finish in League.

The offense was lead by the strong right arm of quarterback Bill Lux and his favorite receiver Dan Bauer. In less than seven games Lux had a total of 1591 yards passing and running. Bauer became Orange County's All-Time single season reception leader with 68 catches for an amazing 1102 yards. When Lux wasn't connecting with Bauer, he was handing off to All-League running back Chris Starkman and fullback Max Marold. Opening the holes on the line were Seniors Kelly Avila, All-League Tackle Gerard Armstrong, Juniors Rob Hastie, Mike Hyde, and Cliff Eborn.

The leader on defense was All League performer Mark Mathieson along with his sidekicks Mike Mills, Chris Chesney, and Greg Teregis. Defensive ends Steve Young and Wayne Rice along with Noseguard Scott Stewart were mainstays in the trenches. Brett Thompson started the secondary, along with Sophomores Brian Head and Tye Culver.

Playing the always tough Capistrano Valley on the road, Bill Lux completed 16 of 21 passes for 297 yards, while Dan Bauer caught 12 passes for 245 yards in a 24-14 win. The win enabled the Mustangs to become the #1 team in CIF. The next week San Clemente posted a stunning 19-10 win over Mesa. Led by Greg Teregis and Chris Starkman the Mesans posted a win over Dana Hills, but fell 24-22 to Mission Viejo.

Going into league play the defense looked over and allowed only six points in wins against Irvine and University. Mesa then lost to El Tor in the final 18 seconds and then to archrivals Estancia. The stage was set for a showdown with CDM to see who went to the playoffs. The Mustangs prevailed with 14-7 victory and a 6-4 record.

The football team has been very successful this year. They have won many games and are now in the playoffs. The players are very hardworking and dedicated. They have a great coach who has helped them become a better team. The fans are very supportive and cheer them on every game. The team is looking forward to winning the championship.

Tritons Oust Mesans: 2nd Round Jinx Again

The Mustangs reached the C I F playoffs for the third time in four years. Mesa reached the second round of playoff competition, but that's as far as they got. They were ousted by the eventual finalists San Clemente 7-3.

In first round action Mesa took on the 4th rated Aviation Falcons. The Mustangs had a great night offensively scoring twenty-three points which was just enough to outlast the highly regarded Falcons. When the chips were down the defense came through as Brett Thompson intercepted a pass in the endzone to thwart Aviation's final drive. Mesa held on to win 23-21.

In the second round Mesa traveled to San Clemente to face the Tritons. The defense was superb all night while allowing only seven points. The Mustang offense moved at will, however, they could not put the ball in the endzone. The second round playoff jinx haunted Mesa.

Congratulations to this year's Senior football class as they posted twenty-eight wins. This is the year that Mesa football has never before. Congratulations!

Netters Surprise; Barmore Number 1

The Varsity tennis team had their moments this year, but they were very few. They met with Corona Del Mar, Estancia, and University—all powerhouses in high school tennis.

The leader on the team was junior Becky Barmore. She was the Sea View League Champion and went on to CIF. Debbie Goettsch, another exceptional player, was number two on the team. Grace Fisher and Lori Vanatta helped out with their double's play.

When the Mustangs played the likes of El Toro and Irvine everyone seemed to be on top of their play. Kelsey Hill and Heidi Sheid had two wins in one of the top meets of the year against Irvine.

Mesa had a tough time with El Toro but seemed to pull through with Grace Fisher and Lori Vanatta winning a tiebreaker, that enabled the Mustangs to win the match 10-8. Janet Khorey won some key matches that were much needed.

The Junior Varsity was led by Jody Leder who also played Varsity occasionally. Caroline O'Neal was considered a major factor on the team, as always.

Waterpolo Drowns, Has Dismal Year

The Varsity Waterpolo team had a roller-coaster season finishing with an 8-12 record. Injuries were the main reason for the Mustangs' not reaching C.I.F. for the first time.

At the start of the season Mesa took on the number one team in the state, Long Beach Wilson. The Mesans were in command for three quarters. Two minutes into the fourth quarter the Mustangs were ahead 10-8, but in a matter of seconds three Mesa players fouled out and Wilson came from behind to win 14-11. The season seemed to go downhill after that game. A broken jaw, a broken thumb, a torn shoulder and a sliced palm prevented four starters from playing.

Tony Grenshaw was the Mustang's main man as he led the team in scoring. When the team shifted to a double post offense Grenshaw, nicknamed "Bull in a China Shop," became the workhorse. Second Team all-league selection Karl Romahn helped carry the load along with Art Chasen and Keith Yarwood who were given honorable mention.

Spikers Year Was Down: Preaseason Outstanding

This year's Volleyball squads had a fine preseason, however, the league schedule was a different story. The Varsity was composed of the experience of four seniors and the youth of three juniors and a sophomore.

The Mustangs came in First Place in their own Costa Mesa Volleyball Tournament. Valerie Grady, Kathy Mollica, Stephanie Webster, and Karen Yelich received all-tournament honors. In the Westminster Tourney, Mesa got a third place. League play ended up in a disappointing fourth place with a 3-7 record. The Most Valuable Players were always consistent Carol Krikorian and Yelich.

Mesa's Junior Varsity team did well in preseason, winning almost every match, yet, when league came they ended up in last place with 0-10 mark. The Most Valuable Player and Captain was junior Shelly LaPointe. Freshman Tiara Maurer was the Most Improved player.

Runners Excellent: Future Is 'Brite'

This year in Cross Country was very successful by many standards due to the hard work of all. Counted out of contention by league rivals, all teams did better than expected. The boys Varsity managed to qualify for CIF finals and place sixth. All the teams competed successfully in league with a record of 3-2. The teams also went to six invitationals.

The boys Varsity, lead by Scott LaCrosse, was still young and inexperienced. The team had only one senior, Ross LaJuenesse, one sophomore, Mark Howard, and a crop of second year lettermen: Victor Herrera, Jon Crackel, Rob Kuehne and Kevin Juberg, first year letterman.

Jim Rasfeld, J V most valuable, lead a strong team successfully in most of the meets. Kevin Juberg, Gary Hatfield, Dan Fisher, and Dave Anderson were among those competing on the J V level.

Ken Levy, Henry Medina, Herald Rice, most valuable, Captain, and most inspirational, respectively, lead a team of sophomores.

Last but not least, the potentially tough freshmen were lead by Jose Fuentes, Frosh Champ. Congratulations to the 1979 Cross Country teams.

Girls Are Strong; Finish Good Year

The girls cross country team finished the season with a 4-1 record. They were second in dual meets and second in league finals. The young team finished strong in C.I.F. 4A finals.

Coached by Joe Fisher the varsity team was second Pacifica Invitational with all seven runners in the top 19; second at Dana Hills and third at the Costa Mesa Invitational. They won the Canyon Invitational setting a new meet record with all seven runners being in the top 16.

Led by Seniors Erin Purcell, most inspirational; Dor Price, most improved, and Joiein Fisher, most valuable and team captain, the Mustangs were second at the Orange County Championships. Fisher placed on the All Orange County team for the fourth straight year.

The J.V.'s were first at Pacifica, 2nd at Costa Mesa, 2nd at Canyon and 4th at the Orange County Championships.

With returning varsity letter women Jossie Fiorda, Lana Wolf, Shawn Cracker, Vicki Kelly, and Erika LaCrosse, all sophomores, and freshman Robin Fisher, prospects for next year look good.

Cagers Fall Short Preseason Superb

The Costa Mesa 1979-80 Varsity Basketball team was like the old fiction story of Dr. Jekyll and Mr. Hyde, however, the only difference was that this season was not fiction. After streaking out of the gates with a 7-3 mark the Mustangs struggled the rest of the way as they ended up with a 9-14 record overall.

Under the first year guidance of head coach Tim Parsel, Mesa opened the season at home in "The Pit" and lost to Los Alamitos 58-53. Things got brighter for the Mustangs as they won five out of their next six games including a 81-66 victory over Santa Ana in the Consolation Finals of the San Clemente Tournament. Steve Lux recieved All-Tournament honors for his fine efforts. Then with the last second heroics of Dan Bauer and twenty-five points by Steve Lux, Mesa disposed of Capistrano Valley in double overtime 72-70. Foothill beat the Mustangs by six in the first round action of the Orange Tournament. Mesa then beat Chaffey and Garey handily, yet lost to Fountain Valley in the Consolation Finals. Dan Bauer led the Mustangs with an All Tournament selection.

In league play Mesa lost 6 to Estancia 90-68 and then tried slowdown tactics in the second round but still lost 41-31. In another double overtime game Mesa lost to University 69-68 and then suffered another setback to University 58-49. Against Corona Del Mar Kenny Bardsleys thirty-one points weren't enough to offset the Sea Kings in a 95-70 loss. The second time around against Corona Del Mar Mesa played good for most of the game, still they were handed another defeat 57-50. Ceiler Dweller Irvine saved Mesa from being shutout from the win column as the Mustangs won 53-50 on the road. At home a balanced scoring attack led by Roger Lackey and Mark Jarvis helped the team to a 69-66 victory over Irvine. Going in against El Toro, Mesa needed a win but lost a cliffhanger 67-66. Then with Kenny Bardsley scoring thirty points and Steve Lux twenty points and Bill Lux adding thirteen points, Mesa lost the shootout at El Toro 94-87. As Coach Parsel said, "We were never out efforted."

Underclassmen Super Have Winning Years.

The basketball squads for the underclassmen had one of their better seasons on a whole

The Junior Varsity team coached by Paul Kahn was led by the sharp-shooting of Dennis Jones and Jim Parker and the ballhandling of Scott McKee, also sophomore Jim Pelichowski controlled the boards and Bobby Frey contributed with good team defense. Bill Barthe came off the bench to give the team an extra lift when needed

Scott Hines coached the sophomores to the San Clemente Tournament Championship and a second place finish in League with a 7-3 mark. With Jeff Field quarterbacking the team and Steve Cook gunning at will there were plenty of rebounds for Greg Field and Tam Eilerts. Highlights of the season were Greg Field recieving M V P in the San Clemente Tournament and Tam Eilerts 41 points in the season finale

With Jim Weeks at the helm the Freshmen unit finished second in the Fountain Valley Tournament and second in League play. With the scoring punch of Dave Palmblade and Paul Edson and the all around good team play of Jeff Goettsch and Phil Kos the Mustangs always seemed to be riding high

Varsity Was Strong JV Looks To Future

The Girls Varsity Basketball team had a good year, ending up with a second place finish in the Seaview League. The Mustangs overall record was 11-11.

Led by senior center Karen Yelich and senior guard Carol Krikorian, ended up with a 7-3 record in league. Between the two of them, they kept Mesa in contention. Yet it wasn't a two woman team with big contributions from senior Connie Bushy and sophomore Vicki Lamar and Rosette Armendariz seemed to always fill it up when needed. Joanne Lux came off the bench to shore up the defense.

In Mesa's playoff game against Tustin it was close in the first two quarters with the Mustangs trailing by three at half-time. In the third quarter Mesa got blown out, however in the fourth quarter the Mesans came close but fell short losing 72-63.

Soccer Looks Good Reaches Playoffs

Varsity soccer's tough pre-season games were highlighted by a 6-3 come from behind victory over Mater-Dei. They began league play with a 5-5 tie against cross-town rival Estancia. A victory against University put the Mustangs in first place but the inability to put the ball in the net began to plague the Mustangs. This fact was proven by the following games, most of which were lost by no more than one goal. This left them with but once chance to make the C.I.F. playoffs. The team overcame this pressure with a 4-4 tie with Irvine. This caused a coin toss to determine third place. Finally bringing the enthusiastic team to the first round in C.I.F.

The team was well rounded. Offense was led by juniors Mike Hamada and Miguel Jarmillo. Midfield was contained by halfbacks Gregg MacCleod and Greg Potjes, along with Dave Woodworth who added to the attack with his strong left foot. Defense was led by Ted Elicker, with the help of Carson Pichson, Dave Higuera and Rob Hastie, who working together were able to effectively control the opposing forwards. The goal was guarded by the talented keeper Alberto Medina.

Wrestlers Do Well; Finals Impressive

The Varsity Wrestling team did very well in tournaments and many individuals faired well in league competition

Under the coaching of Dick Oberreuter, Mesa got off to a good start at the Magnolia Tounament recording five victories including wins over El Toro and Estancia. At the Canyon Tournament Scott Stewart, Tim Tiessen and Joe Perez led the team to a sixth place finish. At the annual Costa Mesa Invitational more than twenty-six teams showed up at weighins. Stewart led the Mustangs with a third place team trophy home. Ken Arimura and Bob Secrest had fine efforts placing third and Van Duang placed second

In league finals Duong and Tiessen led the way with first place place finals, and Stewart, Perez and Cliff Eibourn finished with second place honors

Birdies Go Coed. A First At Mesa

The Girl's Badminton team has a new twist to it this year, it's now the Coed Badminton team. This is a first at Mesa and the team seems to be doing quite well.

Coached by Janet Dow, the team has many girls with Varsity experience and also a fine brother combination. Led by seniors Jill Hammett, Kim Head and Vera Stijovic, the team expects to reach the playoffs. The brother combination is the Pickerings, Mark and Scott who seem to be holding their own against the opposition.

Baseball's A Hit Playoffs In Sight

This year's version of the Varsity Baseball team seems to be the darkhorse in the always competitive Sea View League. With only one returning letterman in Rod Humphrey, first year head coach Bob Sheehan expects to raise a few eye brows before season's end. With nine seniors and eight underclassmen everyone seems to contribute in his own way.

Anchoring the pitching chores are juniors John Stephens and Steve Williamson, while Mesa spells relief RHODUS, as in Brian.

The offense is led by centerfielder Joe Cruz and Designated Hitter Greg Teregis, and when they get on base they run with reckless abandon. Humphrey and Bill Lux usually get the clutch hits as evidenced in the University game with Lux doubling, driving in Humphrey with the game winning run in the last inning.

The defense is secure with Doug Deats and Max Marold roaming the outfield. Steve Lux shores up the infield at first-base while Kevin Raya handles the hot corner at third. The catching is led by the always steady Mike Mills and sophomore Jeff Field.

J.V.'s Start Slow; Frosh Rookies Good

The Junior Varsity Baseball team with three sophomores and one freshman on the pitching staff has taken its lumps in the early going of the season.

Freshman Jeff Goettsch is the ace of the staff which also includes Jim Pelichowski, Vince Velasco and Kirk Puerrung.

Supplying the offensive sock is third basemen Dennis Jones, first basemen Eric Matton and centerfielder Matt Johnson.

The Frosh-Soph team is led by infielder Phil Kos and the battery of Pitcher Jim Hyde and catcher Ron Hayes. First year coaches Bob Packard and Chris LaFace are very optimistic about the team's chances to finish in the first division in league play.

Frosh-Soph: Top row from L to R: Larry Saucedo, Randy Tigert, Bruce Newcombe, Stan Kurnelt, Sunny Lee, Mark Baker, Phil Kos, Jim Hyde, Dirk Garvey, Mark Williamson. Bottom Row: Roger Ting, Austin Smith, Bill Defeo, Todd Arant, Scott Baker, Paul Edson, Ron Hayes.

Girls Talk Soft But Carry Big Bat

As the year got started for Girls Softball, the team was off to an impressive start. Coach Jim Hagey is very enthusiastic about the team's chances of returning to the playoffs this season.

The team is very experienced with many returning letterwomen back from last year's playoff team. Carol Krikorian leads the Mustang attack playing third base, while junior Stephanie Webster handles shortstop. Rounding out the infield is second baseman Tricia Hallacy and first baseman Amy Theophilus, while Diane Cruz plays catcher. The star of the outfield is center fielder Kathy Stoltz. Also playing big roles in the outfield is Lori Vanatta and sophomore Vicki Lamar.

The Junior Varsity team coached by Paul Kahn, is very young and inexperienced. The team is looking good though with Lisa Perrin and Jody Fox.

Varsity softball front row: Shelley Rhodus, Lisa Perrin, Kathy Stoltz, Kelly Tachiki, Tricia Hallacy, Stephanie Webster, Jamie McAllister. Back row: Carol Krikorian, Connie Bushey, Lauren St. Claire, Diane Cruz, Lori Vanatta, Tammy Burks, Sandy Rowland and Amy Theophilus.

Swimmers Work Hard, Finish Strong Year

The Aquamen have been working hard this season. With senior Karl Romahn and juniors Tony Crenshaw and Jeffery McDonald leading the way this year, the Mustangs being in the always tough Sea View League are hoping to be competitive. Coach Shupp would like to send some of his competitors to the finals and hopefully, C.I.F.

One of the strong points this year for the Mustangs is their relay. Coach Shupp feels his relay team has a very good chance of reaching C.I.F. Another strong point is the diving of two very fine sophomores in Wayne Bisbee and Dave Olson. Rounding out this year's team are juniors Greg Brown, Zane Ott, Jim Creely, Pat Colby, Tony Barrett, Art Chasen, Bill Shrieve, and Scott Kahn. The sophomores include Kery Boyd and James Earnest.

Female Fish Strong, Have Exciting Year

Ask any mermaids you happen to see. Who's the best swimmer? The 1980 Girl's Swimming team! First year coach Liz Sponagle has inherited a very young team. They may be young at heart, but they're experienced at stroking.

Varsity, working the hardest they ever have are led by Maryann Ure, the only senior on the team. Her specialties include the 100 yard freestyle and the 100 yard breast stroke. Another top performer is junior, Lisa Bartosik, who excels in the backstroke. Other performers on the team include junior Lisa Dahill, sophomore Stephanie Bish and three freshmen; Sandy Brown, Amy Crenshaw and Susan Earnest.

Pre-season was highlighted by a victory over Lakewood, while the girls are looking forward to improving their own times as the season progresses. They expect to do well in league, but if they do lose some meets it might be because they are outmanned, rather; outwomanned.

Tennis Is A Smash, Wolfe Team's Ace

Tennis anyone? As many early season matches were 'washed away' the players were ready to go under the coaching of Dennis Moss.

In league play the team looked towards the leadership of their top two players George Wolfe and Mike Richardson. The two played steady throughout the campaign. Two other aces on the team were Brent Wayward Hayward and Todd Hansen.

The Junior Varsity team, coached by Tim Parsel, was led by Dave Graves.

Tracksters Faster; Distance Is Key

This season's Boy's Track team, coached by Joe Fisher, has many individuals who could lead the squad to a league championship. With many returning lettermen back from last year's teams the league championship does not seem out of the question.

Senior High Jumper Dean Schmidt is doing very well as usual. In the Beach Cities Invitational, out of 24 schools, Schmidt placed fourth. Junior Bob Millet is also doing fine in the high jump. Pole Vaulters include juniors Cliff Elbourn and Bennett Swift. Swift is also competing in the 100 yard dash. Running the 440 for the Mustangs is senior Bret Thompson and junior James Allen. Throwing the shot put and the discus are seniors Gerard Armstrong, Jeff Arbuckle, Mark Mathieson and also junior Mike Hyde. Covering the long races for Mesa is Junior Scott LaCrosse.

The Junior Varsity team is paced by junior Forrest Werner throwing the heavy weights, the discus and shot put. Running the 100 yard dash for Mesa is sophomore Onassis Nixon.

Girls Lookin Good; Teamwork Pays Off

The 1980 Girls track team is off to a great start. Coached by John Carney the girls have compiled a 4-0 preseason record. With league approaching quickly, the girls are coming into their top form.

With seniors Joielin Fisher and Erin Purcell and sophs Shawn Crackel and Lana Wolfe along with freshman Robin Fisher, the girls have an extremely strong distance combination. In the sprints Mesa has some fine woman athletes. Leading the way for the girls is Su Young, Valerie Grady and a fine sister combination in Dori and Dawn Price. Also making big contributions to the team are sophomore Erika LaCrosse and junior Vicki Amburgy. Pacing the Junior Varsity is 880 specialist frosh Terri Wright.

Girls Track Team in Alphabetical Order: Angela Angotti, Vicki Amburgey, Joan Burk, Shawn Crackie, Nancy Cole, Jos. Spikers Sparkle As Team Does Well

This year's edition of the Boys Volleyball team was very positive about qualifying for the playoffs. In early season's action Coach Jerry Wynant's squad placed third in the always tough Inglewood Tournament.

The mainstays of the team are Dave Maxner, digger Chris Allen and Rich Bishop. The teams setters Paul Knipp and Paul Coenen do an effective job for the likes of Roger 'Helicopter' Lackey and P.J. Kiley.

The Junior Varsity team is off to it's best start ever. The unit is led by sophomores Kenny Bardsley, Mark Arnold, Mark Panoncialman and freshman Tom Kennedy.

Golf 'Ain't' Bunch of Hacks; Team Drives Past Foes

This year's Golf team is off to its best start in many years. With seniors Mike Hutchinson, Dennis Paulson and Dan Bauer, the Mustangs plan on taking the league crown. Also making big contributions to Coach Tom Ware's squad are sophomores Drew Houghton and Dean Paulson.

The main competition in league play seems to come from Corona Del Mar and always tough Estancia. In non-league action Mesa is beating opponents such as Chino and Newport Harbor by as much as 30 strokes.

Gymnasts Roll To Success Building For Future

With five of the top seven Varsity performers underclasswomen, Coach Caryl Mollica's Girl's Gymnastics team is very optimistic about this season. Gradual improvement each week is very encouraging to say the least.

A blend of the experienced and the new seems to give the squad a balanced attack. With seniors Anita Masino and Dawn Schmeisser in their fourth year of competition and also outstanding junior Kathy Mollica the girls figure to do quite well. Newcomers to the team include junior Liz Finn, who is doing exceptionally well in her first year, also sophomores Stacy Gray whom specializes on the beam and also Margaret Vento. Freshman Patty Jordon is to nobody's surprise doing fine.

Administrators Set Pace For 80's

Probably the most influential division of all, the administration, has been responsible for the success of the entire school year. They range from disciplinarian to friendly facilitator and are to be commended for their fine work.

Two additional concerns for them this year were the Hart Bill and AB65. AB65 will provide \$300,000 for Mesa to use for improvements for the school. The administrators coordinated the project very well and it should present many changes in the years to come.

Important People Keep Spirit High

Important people vary from the active office staff to the busy library crew. All this activity is important to keep the school on the move and to continue its improvement!

T V has become a popular thing on campus. A weekly news show, keeping the students well informed on school and non-school activities, is presented on Fridays.

The nursing office was helpful in keeping our students needs fulfilled and serving as a resting place for those students who were ill.

Much work goes into all the things these people do. So a special thanks to all the staffs which are important to our school because without them we would not be where we are now.

Important Help In Special Education

Important people make up the Special Education Department. HOD, LES, NES, ALP and LD are specific areas where students need improvements. With the vast increase in immigrants (an addition of NES from English speaking students) and LES (limited English speaking) classes were added. Debuted for its first year at Mesa is the Alternative Learning Program. ALP provides a relaxed and comfortable atmosphere which emphasizes personal evaluation rather than grades. Advisors, Elyse McKown and Paul Kahn develop personal relationships with ALP students. Basic Math, English and sciences, PE and electives are offered plus a variety of experiential courses not offered by Mesa's regular program. Members of ALP work at their own pace. The requirement is they need to graduate. These credits are transferable to colleges. This Program represents MALT.

Future Job Skills Pave's Major Goal

PAVE stands for practical Arts and vocational Education division. One of PAVE's major goals is to prepare students for future jobs. This covers anything from raising animals to becoming a page designer. Business courses provide many opportunities to learn job skills. Typing, shorthand and adding are other skills offered by this important department. Our agriculture department is one of the largest in Orange County. Under the direction of Mr. Roy Center, agriculture students won second prize and \$450 more of the money in petting attended this year. Drafting and industrial arts allow students to express themselves freely and creatively. Wood and metal shops, plastics, sewing and foods round out this department.

Language Departments Speak Out At C.M.H.S.

Many new classes are being offered in the Foreign Language Dept. these days. ESL classes have been formed, from AB55 through Vietnamese and other groups can learn to read, write and speak in English. Mrs. Gutierrez deserves credit for helping to develop these new classes. Students learn basic word and sentence structures. Along with the ESL classes, Spanish, French, and German are offered. Students may advance to even a high 3rd Fifth year. Students can earn a master the language department at a minimum, in with others. Many also offers excellent English courses which can help regular students to become more skilled. These departments serve useful purposes.

Physical Ed. and Driver's Driver's Ed. Move Ahead

When Physical Education is mentioned everyone tends to think of hard workouts, pain and sweating. PE involves more than just those tasks. It helps to train individuals to perform to their full capacity. Throughout the school year, such sports are offered: archery, baseball, basketball, tennis and sailing. There are also classes offered for the slow learning students. A good staff also makes Mass's sport programs succeed. On the other side we have courses in Driver's Education, which will train students to drive and eventually apply for licenses. It takes a lot of patience and taking a good teaching staff makes it possible.

Math/Science Depts. Stress the Basics

As many people know, the Hart Bill tests have forced many students into skills labs and math foundations classes. In these classes only the basics are covered. Students review material needed to pass the Hart Bill Test, or to move on to the more advanced classes. Even with this extra focus, the math department still has a good percentage of students in the more advanced classes. These students go beyond the basics and into areas that will prepare them for a college major in either math or science.

Science, too, is stressing the basics, but they are also preparing their students to work with the technical advancements of the 80's.

Two years ago Costa Mesa High got a wild mustang from the federal government. We took it on the condition it not be sold for a certain number of years and that we take care of it.

When the Ag. department got the mustang it was just several months old and had an eye infection. But now, two years later, the mustang named "Misty" is ready to become Mesa's live mascot.

Representatives Choose Class Themes

The class officers of the 1979-1980 school year were in many ways true leaders of the student body. Early in October the representatives chose slogans to identify their class over the course of the year.

"Footloose and Fancy Free, That's the Class of '83" became the freshman motto while the Sophomores were "The Chosen Few of '82". "The Casual Class of '81" found many pep rallies all but casual when "The Class with Class" slipped away with tight victories in different class competitions.

Disco, Rock, Country and Classical brought the magic of music to Homecoming throughout the week and concluded at the Homecoming ceremonies.

The freshmen initiated the "Dream Date" event which included taking two couples to Bobby McGee's in a chauffeured limousine for dinner. Spirit Week was planned and finalized in February by the sophomore representatives. Keeping with tradition, the Juniors engaged the majority of their time in arranging the Junior-Senior Prom. This year's prom was held in South Coast Plaza's Jewel Court. The senior representatives as usual occupied themselves with the business of graduating. Between the outbreaks of "Seniortitis" they were active with the Supai and Hawaii trips.

Council And L.E.A.D. Set Goals For Year

The Student Council selected "The Thundering Herd of 1980" as the school motto this year, depicting the strength of a united student body and its determination to be second to none.

As a group, the council strove to achieve a list of objectives pertaining to school improvement. Rapport among students and faculty took a major role in the council's program for this year. The annual drive for the betterment of Homecoming Activities continued along with an active involvement in the issue of the relocation of the continuation school. The council also contributed much to the state-funded school improvement plan in the way of innovative ideas and encouraged student participation in school activities with the awarding of the Gold M.

Helping raise spirit and having fun while doing so describes the goals of Leadership Educational Activities Delegation (L.E.A.D.) for this school year. Back to School Night, Santa's Village, a car wash, Halloween costume contest, and Open House comprise a sample of the activities sponsored by them. In a new and hopefully positive direction for the group, LEAD divided into sub-committees in order to successfully carry out each endeavor.

Mustang Band Shows Spirit

This year's band offered many great and memorable activities for its members including banquets, competitions and ceremonies. Their spirit and pride for their school was the primary factor in everything they did. The band has achieved a lot this year with its 68 members including the Wranglerettes and ID units. Ear Treichel, the band director, who has been leading our band 13 years, thought that this was one of our best years yet.

The band worked through the summer months and in September went to "Camp Arbolada" in Big Bear. With football season around the corner, the camp helped prepare the members for the practicing and performing ahead of them.

The Mustangs had two fund raisers to earn money for a trip to San Diego in the spring.

Over all, the Mustang Marching Band did an exceptional job while performing for our school and will continue to do so in years to come.

Wranglerette Squad Shows Classy Style

Morning practices, football games, pep rallies and parades are just a handful of events the Mustang Wranglerettes and I.D. units look part in this year. Along with the Marching Band, the girls attended "Camp Arbolado" in September where they worked on a variety of parade and halftime routines and perfected their basic marching skill.

On October 27, the entire troop went to the U.C.L.A. vs University of California game at the L.A. Coliseum and entertained an audience of 49,000 during the halftime ceremonies. Approximately 50 other schools were included in the invitational.

The squads raised money for a trip to San Diego where they performed routines at different locations. Fundraisers for the trip included a cheese and sausage sale in November and an extremely successful stuffed animal sale in December.

Sunday, December 9, with months of practicing behind them, the group marched through the South Gate Christmas Parade in which the Wranglerettes placed third out of 100 drill teams. The parade appeared on television on December 20.

Although the drill team was smaller in number than in previous years, the girls showed great stage presence.

Key Club Involved In A Scary Affair

Mesa's Key Club faced a horrifying challenge this year with their involvement in the March of Dimes Haunted House during Halloween. The March of Dimes asked the Key Club to help run the attraction which was held at the Orange County Fair Grounds. The Daily Pilot featured an article about the event including many pictures of Key Club members.

The club is sponsored by the Kiwanis Club and, until last year was open only to male members. The club seeks to improve school and community affairs through their involvement and service.

A.F.S. Sponsors Chilean Student

A.F.S., American Field Service, serves the student body and the community in a number of ways. A.F.S. is mostly recognized through its bringing foreign students into our country. This year we were fortunate to have Gleni Luengo, an eighteen year old Chilean student from a small town in southern Chile.

Gleni found Mesa a unique experience, one she'll not soon forget. She compared some of the differences between the students here and the students in Chile. American students, according to Gleni, are much more sports minded. Gleni's first football game was the opening game of the season at Davidson Field. She found it difficult to understand why the guys kept knocking each other around, and the crowds kept cheering!

A.F.S. continued to support the Mustang chapter of the nationwide organization. Included in its list of functions were a booth at Santa's Village, a moped raffle and the traditional Donkey Basketball Game and dance.

German Club Members Have Eventful Year

The German Club enjoyed a large turnout from the student body this year. A new German teacher Henrietta Mack headed the club. The club participated in many of the various activities going on at Mesa. During the annual Santa's Village, the German Club sold very good tasting pretzels to everyone. During the coming years Henrietta Mack hopes that the German Club will have an increased membership. German Club is now considering a trip to the mountains during the Spring semester. In the future German Club will contribute many important ideas to Mesa

Students In Spanish Club Like It Hot

This year's Spanish Club was involved in many different activities. First they sponsored a car wash which earned quite a lot of money. They had their own booth during the annual Santa's Village. They sold tostadas, strips with hot sauce and enchiladas. These sold very fast since they were so good. During the first part of the year they took a trip to Disney and where they enjoyed the rides. For the Christmas season, they sold mulleties to the student body. Mrs. Gutierrez, the advisor, hopes that the club will continue to have a large contribution in the coming years.

Organization Proves Success Of Surfers

Surf Club really shaped up this year with organization being a main objective. Coach Chuck Allen and Advisor Ken McMillan worked hard to get the surfing competitors ready for the many grueling confrontations. One of the competitions included the United States Championships in Huntington Beach on December 26, 27 and 28. One of the clubs star surfers, Vicki Donately, earned the title of the Girls State Champion in the NSSA High School Championships. If the organization and dedication shown by the surfers continues, Mesa will be known state-wide for its surfing talent in years to come

Skiers Hit Slopes From Far And Near

The weather at the outset of the ski season did not have too many of the smiling faces it expected from the Ski Explorers. As a matter of fact, some were downright upset at the results of all of the bad weather. Luckily, the weather brightened up and the snow began to fall! With the coming of the snow the skiers planned many exciting and successful trips to places like Mammoth, Squaw Valley, Mountain High and Utah. The real highlight of the year was the sale of the "Mr. Bill Goes Skiing" T-Shirts that President Lorraine Parsons and advisor Mai Buchanan designed. Soon multitudes of people began to show their support for the skiers of America by splashing Mr. Bill all over their anatomies.

Pep Club Exhibits Spirit All Year Long

Pep Club for years has just sat around and let the cheerleaders do most of the cheering, but not this year. Pep Club was involved in everything from cheering at Pep assemblies to cheering at the games. In fact during each Mesa football game you could see them all in their green and white uniforms cheering and raising spirit on our side. Mrs. Breaneu, and the large membership have made Pep Club an important organization on Mesa's campus. In the coming years, we hope to see more of this spirit being shown at all of our pep rallies and games.

French Club Fattens Many Student Bodies

French Club had one of its more active years by selling cream-puffs, pastries and other French cuisine at different school functions. The club also highlighted its year by collecting a majority of their funds and splurging at a local French restaurant.

President Jody Anderson kept the club members busy with the baking and the selling of the creampuffs and their Nestle candybar sales.

Mrs. Redenbaugh, advisor of the club, hopes that in the coming years many students will take part in the organization.

Nutcracker Shown To Elementary Kids

Every year, in the month of December, thousands of elementary school children parade through the large wrought iron gates opening into Mesa. Excitement flares as the kids troop to the Lyceum awaiting the curtain call and the chance to see real movie actors and actresses up close.

This year's Children's Play, The Nutcracker, was performed on December 18, 19 and 20. Busloads of district children came for the performances each day. Many of the little ones asked the actors for autographs following the shows. It was truly a heartwarming experience to see all those smiling faces of delighted children.

Alternative Program Takes On New Name

The Alternative Learning Program is the new alternative learning program at Mesa. ALP has replaced MALT. Phyllis McKown and Paul Kahn are the staff co-ordinators. The program offers students a chance to be a part of a community, while offering a wide variety of courses. Early America, 60 Minutes, the 1960's, creative living and life after school are just a few of these classes. In addition to taking structured classes, the program offers students a chance to study independently. A relaxed comfortable atmosphere is the selling for it's new program ALP.

Landscapers Receive Much Recognition

This year was no exception for our Future Farmers of America, as they brought home many awards for landscaping, crop and animal raising. FFA funded their club this year by selling corn, plants and having the traditional Christmas tree sale. In addition to trees, they had "live reindeer" last Christmas. This year for the first time, we had a live mascot at some of the school activities. Misty, a three-year old Mustang made her debut during the 1979 Football season. Many thanks go to the FFA people for their help in feeding and boarding Misty. The farm received a long awaited "face lift" during this year. Time money and effort was spent in remodeling the existing buildings and grounds. Also new greenhouses were constructed. In the future our farm will become a nice place to visit and observe the animal life.

Art Club Added To Mesa's Student Life

With the popularity of art in our society, Art Club attracted a large number of students to its Monday meetings. The club's advisors, Don Fox and Lynn Pringle are art teachers themselves so they developed the idea of an Art Club for Mesa Students. The club's goal was to teach students about art, about the old master's paintings and techniques, and about today's modern art. The club also introduced the various art fields and how to make commercial art. To fully examine the fields, the club visited museums, exhibits, studios (such as Walt Disney Studios) and Art Colleges. The group visited the world famous Art Center College in Pasadena. Fundraisers to support the club included card and button sales. The club president for the year was Cindy Ichikawa.

Career Club Offers Students Choices

Students were extremely lucky this year, for on our campus was an outstanding Career Club. Each month, two or three guest speakers appeared to give an overview of their occupation. Students who were interested were invited to listen in and ask questions of the individual.

The Career Club's intentions were to enlighten teenagers on the numerous opportunities available in the job market. The club was operated through the Career Center which helps students prepare for the adult world of business.

The Career Fair is held annually and allows students to interview people in professions that appeal to them. With the help of the Career Club, students will be prepared to face the challenges of life after graduation.

Dance Production Gets Rave Reviews

When almost fifty girls and a handful of boys meet together everyday, enduring fights and fusses, tears and complaints, and can still come up with a fantastic production, there has to be a lot of pride going through their minds.

Months of practice and hard work ended with major productions in the fall and the spring.

Daily in class they would meet to work on group and solo routines. Deneige Feducia found her direction was worth-while when the final results were beautifully executed dances.

With the technical genius of the Stage Crew, the Dance Production classes boasted tremendous performances for highly entertained audiences.

Girls Alter Mesa's Formal Traditions

Girls League had a rather slow start this year, as the elections for officer weren't held until October. But as in the tradition, the girls held the annual Winter Formal. The formal was held on the last day of the first semester, which differed from other years when it was held before Christmas vacation.

This year's formal was held on January 24 at the Garden Grove Community Center under the theme of "Midnight Rhapsody." The band "Rich Kidd" entertained the hundreds of dancers who came in the classiest of formal attire.

Ruth Hiles, president, led her members through a year of fundraisers and meetings, mainly pertaining to the planning and execution of the formal. The girls continued to help in the Zonta Girl program which is sponsored by Zonta International.

Stage Band's Tunes Add Jazz To Campus

And a one, two, three, four . . ." Everyday of the school year during fourth period, Mesa's own Stage Band met to practice their jazzed up tunes from Bach to Rock to Rhythm and Blues.

Under the direction of Earl Treischel, the band performed at many concerts and shows. The musicians gave their talents to perform at lunch to those who wished to listen in.

The members worked daily for the finale of the year which came at the annual Spring Concert. The band proved to be a fine one, one of the finest ever at Mesa.

'Midnight Rhapsody' Welcomes The 80's

On January 24 between the hours of 8 and 12 p.m. 150 couples met to dance the night away at the Garden Grove Community Center.

The energy electrified the room as the music from *Rich Kidd* enticed the dancers to move. Songs from *Led Zeppelin*, *The Rolling Stones*, *Cheap Trick*, *The Knack* and a variety of others were played to perfection. Many times the band had the crowd on their feet with their hands in the air, clapping and shouting in response to the singer.

Girls had to choose the theme "Midnight Rhapsody," which won the vote in their annual contest for a formal theme. The formal was held later than usual this year as compared to past years when it was held before Christmas. The girls created shiny yellow sashes with each couple's names on them as mementos of the occasion.

Lettie Goettsch and Mike Richardson shared royal honors as they were crowned the queen and king of the formal.

The evening was a overall success, and a delightful one for all who attended.

Inherit The Wind Splendid Production

"He that troubleth his own house shall inherit the wind" Proverbs 11:29. Drama's spring play did not concern houses nor even tornadoes, but the presentation of "Inherit the Wind" certainly dealt with religion and whether theoretical beliefs should overrule man's greatest gift which "lifts him above all other animals," the ability to think and to reason. What lifts this play above all others centers around its base in history. In July 1925, in Dayton, Tennessee, a man stood in the Rhea County Courthouse to face accusations of teaching Darwin's Theory of Evolution in a state which passed laws against education preaching any theory of being other than that stated in the Bible. The theatre version created by Jerome Lawrence and Robert E. Lee expands the controversy from the simple flagrancy of the law to a thought-provoking statement on man's right to control the thoughts and ideas of others.

An all-school cast presented "Inherit the Wind" on March 13, 14 and 15 at 8 p.m. in the Lyceum. Mark Jarvis portrayed Bertram Cates, the school teacher who dares to introduce Darwin in a society which does not recognize his existence. Karen Rush played Rachel Brown, the school teacher daughter of the town reverend, Jon Waller, who struggles between her love for the radical Cates and for her fanatically religious father. Rick Tigert enacts the famous lawyer, Matthew Harrison Brady, who argues the state's right to decide what can be taught in the schools, and David Meek as Henry Drummond, Cate's lawyer, who argues Bertram's right to use man's greatest gift, the power to think and reason.

Madrigals And Choir Venture To La Jolla

Each year the Vocal Music Department is filled with talented male and female singers from Mesa's student body. This year's Concert Choir and Madrigals carried on the strong tradition of outstanding musical ability that has become so prevalent in our school.

Concert Choir consisted of 43 members, 18 of whom were also Madrigals. Both groups performed at various concerts throughout the year, including the annual Christmas assembly.

During the weekend of March 7, 8 and 9 vocal Music spread their talent to our southern neighbors in La Jolla, California as part of their musical tour.

The Madrigals performed concerts in various Orange County churches during the year and for many of the local area's civic, social and service organizations.

Chip Off Broadway Done With Style

The ultimate test for a dancer is in expressing and conveying clearly a story to the audience without the use of words. Love and the cultural barriers which hinder it was performed by a cast of fifty-eight dancers in "West Side Story" part of a "Chip Off Broadway."

The first suite consisted of a series of dances choreographed to various songs. These were produced entirely by the students in duets, solos and group dances. As an added encouragement, an award was presented to the best scorer at the Honor Awards Banquet last spring.

The second suite was derived from the Broadway musical-turned movie "West Side Story." Dance and music prevailed through out the show which spun the story in a series of dance scenes.

Pygmalion Livens Lyceum With Humor

"Ooh Isn't it lovely" demonstrates some of the language a majority of the cast, starring in "Pygmalion" had to master. Cockney added a touch of original color to the story of a penniless English woman who with the help of a professor is transformed into a young lady. Derived from a Greek myth of an artist who sculpts a statue and ultimately falls in love, "Pygmalion" ran for a few years on the stage as a play and then returned for a brief stint as a musical entitled "My Fair Lady." In 1969, "My Fair Lady" debuted as a movie and shot the mythical story into international fame. It is however, the original play "Pygmalion" which Drama Production unveiled on November 7, 8 and 10. Eliza, the young woman, came alive with the skill of Karen Rush and Rick Tigert played Mr. Higgins, the very proper professor. Greg Scott portrayed the part of Higgins's Watson-type assistant, Pickering, and David Meek brought to life Eliza's somewhat liquor indulgent father.

The student body received the play well, and the cast had a lot of fun.

Cheerleaders Lift Student Body Pride

On April 20, 1979, 25 girls were informed they had just made the pep squad for the 1979-1980 school year. Since then, the girls worked together day and night until they grew into one of Mesa's finest pep squads ever.

During the summer the girls practiced daily in preparation for the camp they attended in Santa Barbara in which Varsity was awarded a spirit stick and Junior Varsity earned a superiority trophy.

With the arrival of fall sports in September, the cheerleaders found their schedules somewhat hectic from the numerous activities ahead of them.

Many nights preceding games involved taping the team members' houses which frequently kept them up past 9 p.m. The following morning, on pep rally days, the girls assembled for a 7:30 practice. Pep squad organized what proved to be an outstanding C.I.F. rally. The rally consisted of extremely moving speeches given by Tom French, Ken Koway and Mike Mills.

Hitching Post Staff Survives Busy Year

Los Angeles Times, well not quite but who knows the future of the 24 students who write on the school's newspaper *The Hitching Post*. As usual, the year provided its share of barely missed deadlines and cries of "I can't stand it any longer!" However, despite the dead-end hangings of either staff or editors depending upon who was frustrated with whom, newspapers did eventually appear much to the delight of the student body. The issues of Iran, Afghanistan and the possible relocation of McNamara were a constant on the editorial page as well as our needs, and the sports page eagerly followed the thrill of the victories and the agony of the defeats of the athletic seasons. During the haste and bustle which preceded each issue, the staff appeared reasonably sane with a few exceptions, and if nothing else, it can at least claim greater typing skills.

Production Slowed By Rodent Pests

Mice accepted onto the ROUNDUP staff? Well, the little creatures certainly ate their way into appreciative yearbook photographer's hearts with their rather primitive cropping methods. However, next year David Van Treese, advisor, wishes they would apply first although the yearbook staff as usual needed at the bodies human or otherwise they could procure to perform the various responsibilities involved in such a major production. Photographers constantly shot some aspect of Mesa life to the dismay of some and to the immense enjoyment of others. And fitting these captured moments into some sort of a layout fell to the editors. Tempers flared over missed deadlines and misunderstood directions; however, looking back, how could they regret the shared moments of laughter and craziness. And who would give up a chance to pose as the Aytollah, his revolutionaries and a pair of hostages?

*Mesa, we hail thee,
School we love so dear;
Happy are the memories
Spent in yesteryear.*

*We pledge our love and honor,
Our loyalty and might
To Mesa's shining colors
The green and the white.*

*Long may you serve others,
Filled with purpose true;
Mesa High, we hail thee
All hail to you!*

A Yearbook Never Forgets, Will You?

Nine months ago there was so much to look forward to and now that it is part of the past we find ourselves trying to remember.

We try to remember freshman orientation, becoming a member of a new club or team, making new friends, the first dance, football games, Homecoming week, pep rallies, the Winter Formal, Senior trips and the Junior-Senior Prom.

We look back on our past, searching for the memories of yesterday. Sometimes we will have a strong image of our history, other times we struggle to remember our high school days.

The ROUNDUP is a part of helping you keep those fond memories alive forever. Within the covers of this book you can find every student and staff member, all teams, clubs and activities that took place during your 1979-80 Costa Mesa High School year.

Our ROUNDUP staff put in many hours trying to put together an annual that tells all that Costa Mesa High is. Our photographers spent a lot of time at games, rallies, dances and other happenings to capture those times of your life. Our editors meanwhile put their efforts into writing about those special moments and fitting each section together to form this yearbook.

It seems while we're growing up school is so endless. However, we find ourselves saying good-bye to a part of our lives we took for granted, the carefree days when little things meant so much to us. It is all those irreplaceable times that make us what we are today. So round up all your memories, for they're as much a part of the future as of the past.

To let none suffer because of you
To leave better for having been

We are proud of you the daughter
But your own self be true
Remember that no matter where where
or what you ever happen to do

A quest you have started
The search that you have begun
Will lead you around the world and away
For as you seem to follow the sun

You dare to dream and work
Until the dream becomes a fact
You've become tall strong and beautiful
Now what do you know about that?

YVONNE,

THIS YEAR we've had a couple
of classes together & its been pretty
fun. You and Nancy have been pretty
good friends & I would like to hear
that you guys have stayed that way.
I've moved to Mission Viejo so I
probably won't see you this summer but
I still will be going here next year.
Good Luck this summer & happy
hunting!

Yvonne,
We've been keeping
convinced ya you're
a terrific gal and
really really cute.
I hope you have
a really terrific
future and a great
summer. Love ya
lots. Pass on peace!
We can get together
and go to the beach!
OK!

Love always
and a special

Patty

Yvonne,
I'm glad we were
able to renew our friendship
in this English class. At least
we could ensure it together
and at least we could hold each other up.
I hope what else we had to put up with.
Ms. Neal Sherman! What a guy
he is. Don't you think? What a guy
I would be for him! I hope he's
talking it with you. I hope we don't
lose each other this summer so we don't lose
touch.
Love,
Nancy & Sigore!
